PET ASSURANCE AND PAW PROMISE

Part of the **FAMILY** Part of the **PLAN**

PET ASSURANCE

A gentle way to keep your family cover complete.

If your insured dog or cat passes away due to an illness or an accident, is put to sleep to relieve incurable suffering, or is lost, stolen, or goes missing and cannot be recovered within **30 days** despite reasonable efforts, **Pet Assurance** allows you to enrol another eligible dog or cat into your insurance **without paying an additional premium for the remainder of the existing policy period.**

While no family member can ever be replaced, the love and responsibility of pet parenting can continue when your family welcomes another furry companion.

PAW PROMISE BENEFIT

A small promise of support when you open your heart again.

If opted for, the **Paw Promise Benefit** pays a **lump-sum amount** towards the adoption of a new pet if your insured dog or cat passes away due to an illness or an accident, is put to sleep to relieve incurable suffering, or is lost, stolen, or goes missing and cannot be recovered within **45 days** despite reasonable efforts.

It offers practical support during an emotionally difficult time by helping pet parents take the next step when they are ready to welcome a new companion.

Key Conditions for Paw Promise Benefit

Police must be notified promptly of any lost, stolen, or missing pet, supported by an official complaint/report.

The benefit is applicable to insured pets up to **10 years of age.**

A promise that says a lot without saying a word.
