**Bajaj General Insurance launches 'NRInsure', offering 35% premium discount for NRIs**

**Pune, 11 February 2026:** Bajaj General Insurance Limited (formerly known as Bajaj Allianz General Insurance Company Limited), one of India's leading private general insurers, today announced the launch of **NRInsure**, a new add-on offering to its flagship retail health insurance product, *My Health Care Plan (MHCP)*. Designed for Non-Resident Indians (NRIs) and Overseas Citizens of India (OCIs), the add-on offers a **35% discount on the base policy premium** across MHCP plans.

NRInsure is aimed at addressing a long-standing need among NRIs who continue to maintain health insurance coverage in India for themselves, despite residing overseas. The add-on can be opted for at the time of purchasing a new policy, enabling eligible customers to avail the discount upon declaration of their NRI/OCI status and submission of prescribed documents.

Available to customers buying a new policy of My Health Care Plan, NRInsure allows NRIs and OCIs to retain continuity of their health cover in India while benefiting from lower premiums. All features, benefits and waiting periods under the base policy continue to apply, ensuring consistency in coverage.

Speaking about the launch, **Mr. Amarnath Saxena, Chief Technical Officer – Commercial, Bajaj General Insurance, said, *"For many NRIs, India remains home, not just emotionally, but also when it comes to long-term healthcare planning and preparing for a return to India. However, accessing and managing health insurance back home while living overseas can often be complex. With NRInsure, we are responding to this need by offering a premium discount to NRIs and OCIs, while ensuring continuity and familiarity of coverage under a trusted health plan. This add-on reflects our effort to support those who continue to keep their roots firmly anchored in India."***

With the introduction of NRInsure, Bajaj General Insurance continues to evolve its health insurance portfolio to reflect changing customer needs, global mobility, and the growing aspiration among Indians abroad to stay connected with India's healthcare ecosystem.
